# ▶ **Session 7**

## Implementation

## Claiming unemployment benefits

## ► International labour standards (C168)

The benefit can be **refused, withdrawn, suspended or reduced** in case of:

- **Failure to use without just cause placement, vocational guidance, training, retraining or redevelopment in suitable work**
- **Refusal to accept suitable employment**
- ...

## Regulated? Implemented?

- Beneficiaries must **maintain unemployment status** (i.e. willing, available, capable)
- Beneficiaries are often asked to **report regularly** to the local employment office, to clarify job searching activities (e.g. names of employers contacted) (normally coincide with **the frequency of payments**)
- Beneficiaries must **accept any suitable employment offered** to them, with due regard to their experience, age, training and personal circumstances
