

Status of the work on expanding the coverage of chinese unemployment insurance

zhang lijun

**the functions :ensuring people's
livelihood, preventing unemployment,
and promoting employment.**

I. Stable foundation for ensuring people's livelihood

(1) Continued expansion of coverage.

(2) Steady improvement of benefit levels.

(3) Expanded coverage at stage to secure the bottom line

II. Outstanding focus on preventing unemployment

(1) Support enterprises in stabilizing jobs.

(2) Strongly support youth employment.

III. Clear goal of promoting employment

(1) Reduce premium rates phasedly.

(2) Strongly support skills improvement.

In the next step, we will further improve the unemployment insurance system, expand coverage, improve system functions, and explore and research an unemployment protection model suitable for flexible employees to provide unemployed people with a wider range, more equitable, and more solid and reliable unemployment protection.
